I fucked the best man and ushers

Bride's laid

These pictures were taken on the day of my wedding.

It was part of my wish list that I fuck my husband-to-be and his best man and all of his ushers on the morning of the wedding, just to help me get over my nerves, I said!

Paul, the best man, was first. He fucked me ragged, my legs up round his shoulders, his dick slamming into my snatch.

But I'd promised my fiancé that he'd be the only one to cum in my pussy, so I swallowed all of Paul's cum quickly.

Next up was Gavin, the first usher. He's a randy sod and was bollock naked when he came in, smiling like he'd just won the lottery!

I told him to take me from behind, fingering my pussy over my shoulder to turn him on in an instant.

When he came, it was all over my arse. But it took him so long to blast his hot load over me that by the time he had finished giving me an incredible orgasm, it was getting late, so I told him to send up the last two lads together.

Connor and Max were old friends – they'd fucked girls together before so they had no qualms getting naked in front of each other and fucking the same girl at the same time.

The double banger they gave me was electrifying and they finished it handsomely by having me wank them off into my face and mouth together!

Sadly for my hubby, there was no time for him to get his oats. I made it up to him that night though, fucking him for four hours solid, getting his spunk in both holes!

Kate, Hornchurch.

Kate, Essex

Key mistress

I know it's a stereotype that swingers chuck their car keys into a pot and then pick one out, but don't knock it till you've tried it.

We recently went to a party where they did just that, albeit it an updated version.

When we turned up, the girls were separated into one room and the guys in another.

Once alone, we were all meant to take our bras off and then the hostess of the party, Sharon, took them all away in a huge silver bowl and told us all to wait for our beau of the night.

In the other room, the men were taking turns to chose a bra, and then one by one they came into our room holding the bra of choice. Whoever was the bras owner would then disappear into another part of the house with them!

The first man through the door to be confronted by a room full of women of various ages wearing nothing more than their knickers was my husband, Roy.

He was beaming when he discovered that the bra he had in his hand was 20-year-old Leticia, a gorgeous coffee

coloured black girl who was well known for her voracious sexual appetite.

Poetically, I was the last girl waiting, and even though I had seen every other guy who had come through that door, I hadn't been registering who had yet to come in, so I still had no idea who I was going to be fucking that night…

I played with his nuts as he wanked into my mouth

The door creaked open slowly and then in walked Trevor, a huge smile across his face, his eyes instantly locking on to my big tits.

I had never fucked Trevor before, but I had often longed for him to screw me because he had such a big cock and watching him wank it as he watched me or anyone else screwing his girlfriend was amazing.

"At last, Trevor," I said, "I'm going to actually get some of that big dick of yours inside me."

I stepped over to him and put my hand inside his pants as he did the same to me. I was already wet.

He felt bigger than he looked in my hands and his dick hardened instantly.

"I've always loved to watch you suck a dick," he said, and I knew what he meant.

I pulled off my panties and knelt down in front of him, peeling the rim of his pants down beneath his balls and sucking hard on his fat cock.

It was so big I couldn't get more than a third of it comfortably in my mouth, and I had to wank his shaft to make up for it.

It was well known about Trevor that for all his big dick bonus, he was very quick to cum, and this could have been a major problem, but for one thing. Give me a fat dick up my pussy and I'll cum and cum and cum!

I stopped sucking him pretty quickly, not wanting to get covered in his spunk before I'd covered his dick in my own cum juice. Then I got on my hands and knees, the best position to get a big dick in you, and told him to fuck me like he'd seen every other guy here fuck me.

The way his large dick spread my pussy so open was mind-blowing. He began to slam it into me with no holding back, just how I like it, and amazingly he didn't explode after the first few seconds.

I got quite carried away, yelling at him to let me have it, to fuck me harder and harder, urging him on and on, getting myself more worked up than he was, and the orgasm that shuddered through my body as he fucked me was incredible.

"Suck it some more," he grunted when my orgasm had subsided and I lay on the floor as Trevor knelt over me, that big dick of his glistening in the light in front of my face.

He knelt over my chest and I took his bulbous head into my mouth, playing with his nuts as he wanked himself off into my mouth.

When he came, I took it all inside my mouth and swallowed the lot, not even giving him a look at his own spunk.

What a brilliant fuck!

Fresh meat

I'm 40 and a divorced single mother. I don't get out much but, when my other half has the kids, I try to have a night out.

It doesn't have to be anything major – the other week I just went to see a film in town. And, at the bus stop, I got talking to a lad. I'd never met him before but recognised him as someone from my local area.

His hand crept back on to my freshly spunk-sauced cunt

We sat together on the way home, and he offered to walk me to my door, really polite. I said good night and he moved in for a kiss – a bit awkwardly, but it was sort of sweet. And when I kissed him back he soon relaxed into it.

It was ages since I'd had a proper full-on snog, but it still got me warm and wet in the same way it always had. I opened the door and asked him in, and we pretty much fell on each other.

When I got his trousers down and clocked his hard-on, my cool just melted away.

I got my hand on it and started wanking him gently – he felt like he might blow at any second. His tongue was deep in my mouth, playing up against mine, and I felt a strong pulse inside. Then he let out a groan and suddenly shot his load in my hand.

He looked a bit embarrassed so, to show him it didn't matter, I wiped his spunk all over my face and boobs, messing up what was left of my make-up, too. Then I said he could go down on me, till he got hard again.

He was a bit sloppy and awkward, but he learned fast and anyway I'm very orgasmic, so any licking will get me there in the end!

I told him to tongue my clit and use his fingers in my hole. He penetrated it and I

Wendy, Notts

got hold of his hand, pushing them in further and telling him to bend them slightly. Then I found my G-spot and the pleasure just ran right through me.

I lost control a bit, but that just made him step things up even more, seemingly a bit gobsmacked at the effect he was having on me! But he acted like it was the sexiest sight he'd ever seen, and his prick was rearing up, stiff as a rod – a thick, meat rod!

"Time you fucked me," I said, and shifted position then used my hand to help him inside. His tongue was back in my mouth, tasting all salty and musky, and when I told him to get shagging, he took it like an order!

"Now suck my tits," I said and he did it instantly, mouth working on each one in turn till they were stiff as his prick.

Love him, he actually looked a bit panicked when I said I was cumming, like he didn't know what to do about it. But he just kept on thrusting and then I told him to stay deep inside me, so he could feel me orgasm round his cock. "Your turn now," I said, like he needed telling, and three pushes later he was filling me full of spunk.

He fucked me ragged. All through the night, just when I thought he'd finally drop off after cumming, I'd feel his hand creep onto my freshly spunk-sauced cunt, and he'd soon be ready for yet another go too.

Wendy, Nottingham.

MILF Ella's pussy gets so wet when she makes dirty anonymous phone calls to her neighbour. "I'm really turned on by this sexy thirty-something who lives across the street. I go to a call box at the end of the road and in the foul-smelling interior I call her number. I breathe heavily down the line and in a husky disguised voice tell her that I'm watching her and wanking over her. She doesn't say anything back but I can tell she's intrigued as I tell her all the filthy things I want to do to her pussy. She never hangs up..."

CUM IN HER CAT FLAPS!

KITTEN

Kittens look cute but who cares about that when they're putting their claws through your latest acquisition from DFS, sitting on your face in the middle of the night or staring you out when you're trying to have a wank. This Kitten's cute too but has a wickedly kinky side. "Wank and finger my pussy while you're giving my ring a good rogering," the Yorkshire lass purrs. "Then pull your spurting dick out and spray your hot milk on my hairless pussy!"

JASMINE

With boobs you can see from space, Jasmine gets plenty of attention. "I love to wrap my tits round big fat cocks and pump them till they spurt!"

TATS AND TWATS!

ADREENA

There was a day when we used to spend hours pleading with girls not to get tattoos, smearing make-up over them and photoshopping them out – getting your bod inked was a fast track to the 'no' pile. But everything changes – what girl hasn't got a tattoo now? – and scruff readers are a whole lot more tolerant. If body art is your thing, you'll love Dolly and Adreena, two tat fans who only get off more on one thing than needles being stuck in them... strangers' big bulbous dicks being jabbed in!

Michelle: I do!

He fucked me hard on the pool table

We were at a wedding and after a few glasses of wine, we went for a walk in the grounds of the house to have a bit of fun.

We found a spot under a tree in the woods and decided to take a few pics for our swinging profile. I got my 38Es out and started rubbing them, hoping that someone would see us and watch or join in!

We took photos of my jouncing jugs, which was getting us more and more turned on. My pussy was getting really wet.

While playing with my pussy, I could see that Mark was getting really hard so I stopped to wank him off and then sank to my knees to suck him off right there and then. I sucked at him, rubbing my tongue-piercing against his shaft till he filled my mouth with his creamy hot cum.

We got redressed and walked back to go into the games room for some more fun. I lay on the pool table and Mark started to finger and lick my wet pussy until I was screaming for him to fuck me.

So he undid his trousers and released his hard cock, gave it a few rubs and put it into my pussy. He slowly stroked my clit, then fucked me hard on the pool table until I was screaming in ecstasy and he emptied his balls into my wet pussy,

He lay on me for a few more minutes just kissing me and marvelling at my bare breasts. I could never hope for more but if a girl doesn't ask… so I whispered that I really wanted him to fuck my arsehole.

He looked at me with raised eyebrows but didn't need telling twice. He jumped up and played with my cum-filled pussy and started wanking his cock to get hard again!

I must admit I thought he had done for the day but he certainly rose to the challenge and used my wet pussy to lubricate my arse.

He then fed his cock into my tight hole and slowly fucked me from behind while I just moaned with delight and started to cum again.

I was lucky enough to get his spunky cum for a third time. We were quite exhausted by then so grabbed the camera, cleaned up and went back to the party.

No-one had even missed us – shame really as It would have been even more fun if some one had caught us!

Michelle, Camberley.

SHAY

Sure thing Shay's got a thing for shoes. "I love to go out in these heels. I think they say I'm a bit of a tart – which is true! They draw attention to my long curvy legs and I always get lots of men approaching me wanting my number. If we go back to theirs, I like to peel off my clothes piece by piece, but I always leave my shoes on. I get really horny seeing them glisten in the mirror as a rigid dick disappears in and out of my tight pink slit!"

"I leave my heels on to fuck!"

EVELYN

Sadly for us, Evelyn got married last summer. Now, whether a girl's hitched or not doesn't normally make a difference in our pages – they're all goers – but Evelyn's decided to save her pussy for her husband alone. Lucky for readers then that her mouth remains in an open relationship – as long as hubby can watch you pumping your sticky load all over her tongue. So here's to the bride and groom!

CANDICE

"I don't believe in Santa, but I believe that my old man will be coming down my chimney this Christmas Eve. Instead of leaving out mince pies and sherry, I wear nothing but my Santa hat and a sprig of holly on my twat!" giggles Candice. "I love spreading a bit of joy at Christmas, and that means spreading my legs all the way through to Boxing Day!"

I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

PRIVATE PARTING!

TINA, NOTTINGHAM.
32D-24-34, 38 years old. Top Dogging, p. 28. "I got shagged senseless in an army barracks after lights out!"

"I received lots of letters of support from your readers after my strip in vol 29 no 4!"

Dear Escort,

After splitting from my husband I met a new man through your pages. He was the first ever to make my pussy squirt!

He lost his job recently and we decided we had to find new ways of making money.

So we went down to our local strip club and I was allowed to practise on the pole. Some blokes watching told me I was better than the stripper who had just been on and one man even offered me money for a private show the next day.

I was so damp between my legs at the thought of it. The next day I went back to meet the man. There were four of his mates in the club. I was given a few drinks to loosen me up and then went upstairs to get changed into a sexy outfit.

When I came down they were all watching porn. I stood in the middle of the room and started to strip.

I was down to my bra, knickers and stockings when one of the guys came over and started to feel my tits. Then I felt another pair of hands on my arse. My bra came off and my knickers were pulled around my knees.

I was told to kneel down and I took it in turns to go round a circle of men and suck them off.

One man lay down and I was lifted up and placed over him so his cock was at the entrance to my hot wet pussy. He filled me to the hilt and I started to ride him. Meanwhile I sucked in turns the three big cocks stuffed in my face, licking them so deeply it made me gag.

All of a sudden I felt a pleasurable pain as the fifth man slid his cock up my

virgin arse. He began to fuck him in rhythm with his mate in my pussy.

We fucked until I had five loads of salty spunk squirted into all my holes.

I was exhausted but they weren't finished yet. They got me to play with my vibrator while they kneeled round me wanking their cocks.

I told them how I had never felt this horny and was getting wetter and wetter. I could feel my orgasm rising while I was looking at their blurry cocks, feeling so pleased that I could get and keep all of them hard.

I started to squirt, gushing hot rivulets of pussy juice all over the floor, thinking it would never stop. That was all they needed – all five of them came in big dollops all over my squirming body.

When I got home my pussy and arse were sore from all the fucking but when I told my boyfriend what had happened he fucked me for a few more hours as I told him every detail.

I am waiting to perform my first strip in public and looking forward to giving a show to please all!

Tina, Notts

LACEY

LACEY

Bad girl Lacey is one of the naughtiest reprobates we've ever had in Escort. When she got caught fucking in an alley, she offered to suck off the policeman as well. "He wasn't impressed, and I told him he was a miserable git. I got arrested for that! Now I stick to having sex in less risky places – dogging sites and car parks. If someone catches you there, you know it's because they want to have some fun in your mouth or your pussy! And I always get caught!"
